Personal statement: Hockey is a way of life. It is my passion and everything I do on a daily basis revolves around it. I have been involved in the game for more than 25 years. My passion started at the age of 4 playing in Chicago's rec leagues. After High school, I went on to play 2 years of ACHA Division I and Division II Hockey at Robert Morris College as well as 4 years at the University of Tennessee. I love being able to share my knowledge of the game with the players and providing them the opportunity to have that same passion. When I coach, I try to put myself in their shoes and recall what I was thinking/feeling at their age. Over the past 3 years I have been the Head Coach for a Peewee/Bantam Rec team in 2013, the Texas Jr. Stars Peewee team in 2014 and the Texas Jr. Stars Bantam A team in 2015. It is with great pride that I can say every team I have been the Head Coach for has made it to their respective league championships. After losing the championship games the first 2 years, we won the league championship last season with the Bantam A team while posting an impressive 32-5-2 season record and winning 3 out of the 4 tournaments (1st place runner-up in 1 Dallas AA tournament).
