HOW TO REGISTER:

On-line: *Payment Plans (EFT) are NOT an option when enrolling online.* Go to www.chaparralice.com. On the lower left hand side, there is a section labeled "Quick Links". Click on "Enroll Online Now". A second browser window will open up. If not, then you will need to change your internet security options to allow pop-ups from this site. Scroll over "Program Registration" and select "Adult League" from the drop down menu. Click on "Check Available Time/Sessions". Select appropriate "Season" (Draft Spring 2017). Select Appropriate "Level". Click Continue. Failure to follow these steps can result in you getting registered in the wrong league/division or possibly not enrolled at all. When you register, make sure all personal data is filled out as accurately and completely as possible so that our records are accurate and we get you registered in the correct division. If you have any special requests – specific team, multiple divisions, partner requests, position, etc. contact Jason Maurer via e-mail @ jmaurer@chaparralice.com. If you have any problems registering, contact a cashier @ Chaparral Ice @ 512-252-8500 Ext 9.

In Person @ NORTHCROSS: If you plan to go the payment plan route, you must register at Northcross during regular business hours. All payment plans MUST be set up according to the payment schedule on the previous page unless otherwise approved by the league director.

Other: NO phone registration will be allowed. E-mail registration allowed if appropriate forms are filled out and e-mailed back completed prior to registration deadline. Contact league director to obtain copies of forms.

NOTES: Registration for a specific division does not guarantee that you will be playing in that division. Also, special requests will be noted, but there is no guarantee that we will be able to accommodate them. All requests – team, play-with, etc. – need to be e-mailed to the league director.

If you are a **NEW PLAYER** to the Roadrunner Adult Hockey League, or have not played in the league since at least the Spring of 2016 season, make sure you enroll online for the specific division under the "New Player" category. For example, SKATER-A NEW, GOALIE-B1 NEW, etc. By doing so, you will be enrolled in the new player evaluation skate. Please be sure your contact info is valid because the league director will need to contact you for additional playing history information. Any current player in the league that is trying to move up in division is **STRONGLY** encouraged to sign up as a new player so that they may attend the NPS and be re-evaluated by the captains in the higher division.

New Player's Skate: See "Important Dates and Events". Please note that the times are subject to change. All new players will be contacted to instruct them as to which skate they need to attend as well as gather additional player information.

Playing in 2 divisions: Players will **not** be allowed to play in 2 divisions **unless** approved to do so by the league director. If interested in playing in two divisions, contact the league director. You will be put on a waiting list until registration is closed and it is determined if there are spots available for you to play in two divisions. However, you must be drafted in the higher division before you can be drafted in the lower division. Also, please note that if you are allowed to play in two leagues, there is no guarantee that your games will not be at conflicting times and locations.
