WHICH CLASS IS RIGHT FOR ME?

- **Basic 1:** Beginners age 6 and up with no prior skating class experience. (Skaters in Basic 1 classes please wear a properly-fitted helmet, provided by parent.)
- **Basic 2 and up:** Register for the level indicated on your most recent LTS evaluation.
- **Snowplow:** Skaters age 3-5 should register for our Wed. evening or Sat. morning classes.

Regular and online discount prices are available until the Friday prior to first class each week. Registrations after Friday will be charged a \$5 late fee. Chaparral Ice reserves the right to close, cancel, or combine classes based on enrollment numbers.

Free Skate 1-6 Specialty Classes: FS 1-6 Specialty Classes will be held Monday-Friday at 11:30 a.m. Each class will focus on a specific technique including jumps, spins, steps, spirals, edges, choreography, and off-ice conditioning. Daily drop-ins are available for \$25 for these classes only. Skaters who wish to work on Learn to Skate curriculum should register for the afternoon Free Skate 1-6 classes.

Skaters will receive an evaluation at the end of each week of Blitz lessons. This progress report gives the student up-to-date information about their current skill level to help guide parents in decisions about practice time and future lessons. Completion of a week of Blitz does not guarantee promotion to the next class level. Promotion will be based on proficient and consistent performance of required skills, regardless of the number of times skater has been enrolled in a level. Please expect that proficiency may take several weeks to acquire.
