

2017-2018 Central Texas High School Hockey Non-Check League

*****OPEN NOW THROUGH SEPTEMBER 11, 2017*****

For the 2017-18 High school hockey season, we will be including players from the age of 14 and up. This age range could potentially include players from the 7th grade up to 12th grade. Home-schooled players are welcome to participate in the league but must show proof of age/grade level. The composition of teams will be determined by Chaparral Ice and the Head Coaches of the league after registration has closed. Players may not necessarily be placed on the same team as the previous season. We are also excited to announce that we are working with The Pond Hockey Club to have supplemental complimenting programming offered to enhance the High School hockey experience if players choose to do so. All offerings are separate components and are paid for separately at the respective facilities.

The season will begin late September and go in to April. Games and practices will take place on Sundays at the HEB Center unless otherwise noted. Any variations will be held to a minimal occurrence. Teams will begin with a training camp, then additional team practices weekly, followed by regular season games beginning tentatively in November and then concluding with play-offs tentatively in April. Once regular season games begin, we will alternate a 3 game, 1 practice rotation. Example, Sunday #1-3 Game, Sunday #4 Practice.

Cost for the High School League: **\$499**. A 50/50 payment plan is available for an additional \$10 per payment fee. The first 50% of \$259.50 is due upon registration but needs to be done in person at Chaparral Ice Center. The remaining balance of \$259.50 is due November 1, 2017.

Included in the pricing:

- Game jersey and socks
- Training Camp Late September
- 21+ ice sessions (approximately 7+ practice sessions and 14 regular season games with additional play-off games)
- Games will be 60-minutes
- Practices will be 90-minutes with a 30/30/30 split between two teams.
