FAQs

WHAT'S INCLUDED WITH MY CLASS?

- One 30-min. class per week (25 min. instruction)
- 4 free public sessions, and unlimited \$5 public sessions
- Free skate rental for classes through B6/Adult 6
- Annual Learn to Skate USA Membership, including skills booklet, testing, level badges
- Make-up classes during current session **(All classes and make-up lessons expire at the end of current enrolled session!)**

WHAT SHOULD I WEAR?

Warm clothes, gloves, and long pants are essential. Tall socks that cover the ankle must be worn with rental skates. **Helmets are strongly recommended for beginner skaters.**

WHERE DO I GO BEFORE CLASS?

Arrive 30 minutes before class time to check in and put skates on. **On the first day of class, you'll be given your enrollment card, first-day class sticker, and further information. Snowplow 1, Basic 1, and Adult 1 please attend Newcomer Orientation 30 minutes before first class!** Each week thereafter, check in with your enrollment card at the cashier counter, and pick up a new sticker each week for class attendance.

WHEN DO I GRADUATE?

Skaters are tested at the end of each session to determine future class levels. Some skills take more than 8 weeks to master. **Completion of a session does not guarantee promotion to next class level.**

FAQs

DO I HAVE TO BUY MY OWN SKATES?

Rental skates are fine for beginners, but as you advance, the support and consistency of your own skates will enhance your progress. We recommend purchasing your own skates at the Basic 3-4/Adult 2-3 level. Our pro shop is ready to help you buy your own skates. **Skaters in Pre-Free Skate and above and On-Ice Specialty Classes must be in their own skates!**

SHOULD I PRACTICE OR TAKE PRIVATES?

Skaters who practice regularly outside of class progress faster! We encourage skaters to take advantage of passes and discounts to come practice on our daily public sessions.

Private lessons are a great idea for skaters who may be having trouble mastering skills or who desire to compete. For more information, contact Kathy Goeke, Director of Figure Skating Programs, at Kathy@chaparralice.com, or at 512-252-5800 ext. 125.
