

FAQs

WHAT SHOULD I WEAR?

Warm clothes, gloves, and long pants are essential. Tall socks that cover the ankle must be worn with rental skates. **Beginner skaters please wear a helmet (provided by skater/parent).**

WHERE DO I GO BEFORE CLASS?

Beginners should view the Newcomer Orientation Videos prior to arriving for the first day of class. You will receive an email with links to the videos and specific instructions on how to navigate your way to class. On the first day of class, please arrive 30 minutes before class time. We will meet you to fit and lace skates, and to give you additional important program information.

DO I HAVE TO BUY MY OWN SKATES?

Rental skates are provided for Learn to Skate classes and are fine for beginners, but as you advance, the support and consistency of your own skates will enhance your progress. We recommend purchasing your own skates at the Basic 3-4/Adult 2-3 level. Our pro shop is ready to help you buy your own skates. Contact proshop@chaparrallice.com for more information on skate fitting and purchase.

SHOULD I PRACTICE OUTSIDE OF CLASS?

Skaters who practice regularly outside of class progress faster! We encourage skaters to take advantage of public session discounts to practice your skills.

WHAT IF I MISS A CLASS?

Makeup classes are included with your tuition! If you miss a class, you may attend one of the other days your class is offered. Just check in as usual and tell the attendant the class/date you are making up. You may attend a makeup in advance of a planned absence. Please, no makeups during week 8 due to skaters being tested. **All classes, makeups, and discounts expire at end of session.**

FAQs

WHEN DO I GRADUATE?

Skaters advance once they can demonstrate proficiency of all skills in each level. Some skills take more than 8 weeks to master. **Completion of a session does not guarantee promotion to next class level.**

ADDITIONAL SAVINGS

MULTIPLE REGISTRATIONS: First class or family member full price, \$5 off additional classes or immediate family members.

PRORATED TUITION: Can't make the whole session? Email the Skating Director about prorating for the number of weeks you will attend. All makeup classes must be completed by end of session. **Missed classes may not be carried over to future sessions. Skaters who attend fewer classes are less likely to pass to the next level. Level 1 skaters are strongly encouraged not to miss the first day of class!**
