Divisions Details:

A Division is a bring-your-own-team advanced division featuring former college/club players with elite skating, puck control, and fast, structured gameplay. Games played primarily on Wednesday nights.

B1 Division is a high-speed competitive division with experienced adult league players and former high school/college skaters demonstrating strong fundamentals and team play. Games played primarily on Tuesday and Friday nights.

B2 Division is an upper-intermediate division for experienced players with solid skating, puck control, and positional awareness at a competitive pace. Games played primarily on Monday and Sunday nights.

C1 Division is a lower-intermediate recreational division focused on development, structure, and enjoyment with players comfortable skating, stopping, and learning team concepts. Games played primarily on Thursday and Friday nights.

C2 Division is a beginner-friendly division emphasizing development, safety, and fun for newer skaters and players seeking a relaxed, social pace. Games played primarily on Sunday nights.

New Player Skate:

The New Player Skate is for players already registered for the upcoming season only and is required for players new to Chaparral Ice Adult Hockey League, players who have not played in the Chaparral Ice Adult Hockey league in the past year, and players requesting to move divisions.

Registration:

All players must register online at www.chaparralice.com or in person. Players wishing to participate in multiple divisions must receive prior League Director approval and remain subject to placement review. Players may not compete in divisions more than one level apart.

Special Notes:

Registration for a specific division does not guarantee that you will be playing in that division. Any special requests will be noted, but there is no guarantee that we will be able to accommodate them, this is a draft league. All requests (team, play with, etc.) need to be emailed to the league director.

Please email Heather@chaparralice.com with any questions or requests.
