Show Participation Fees

\$250 – CATEGORY 1: Group Performers Ages 6+

- Basic1- 6, Pre-Free Skate-Free Skate 6 and above, plus all adults and synchro.
- Includes all on-ice rehearsals/instruction, off-ice rehearsals as needed, dress rehearsal, and 2 performances.
- Skaters may perform in more than one group number, typically one before intermission and one after to allow for costume changes.

- Skaters who wish to perform in more than one group number must be willing to attend rehearsals for all assigned groups and purchase costumes for all numbers in which they appear.

\$150 – CATEGORY 2: Group Performance for Snowplow 1-3

- Skaters age 4-5.
- Includes all rehearsals/instruction as needed, dress rehearsal, and 2 performances.
- Snowplows will perform in a maximum of one group number and the opening number.
- The fee for Snowplows is reduced since they will be limited to one group number, and because these youngest performers may have limited attention spans and endurance. Since this is likely their first show experience, Snowplow rehearsals may be shorter than those for older skaters.
